Hi Liz,

Can you give me short paragraph or bullets that gives context for the decision that is in front of the RA? (What is the program, what are our roles vs corps?) I'll look closer at these briefing materials when I'm back in the office on Thursday, but I think we're really going to have to pare it down based on feedback from other briefings.

Ellen

Hi Ellen: Attached is a draft issue paper and presentation for your review. The RA briefing is scheduled for Thursday July 12th at 2:30 – 3:00. I'm on vacation returning Tuesday 7/10, so please work with Liz directly. Liz is coordinating with ORC and NEPA. With only 30 minutes, do you want to aim for 15 minutes of presentation, leaving 15 for discussion? Also, do you want to have Liz do a dry-run with you to help finalize content and confirm time frame. Sorry for not being here to finish this up; of course you are in the best of hands with Liz and if there is anything I can help with please let me know. Thanks!
